Funeral Service Chapel

An alternative venue for a more intimate service

Reynolds Funeral Service

Reynolds Funeral Service, located at Bognor Regis, Littlehampton and Chichester, is proud of its family tradition and history. The company is still owned and managed by descendants of its founder, Samuel Reynolds.

Samuel Reynolds opened his first shop in 1867 at Bognor Regis when the business advertised as 'Auctioneers, Appraisers and House Agents, Cabinet Makers, Upholsters and Undertakers'.

After almost 150 years of serving the local community, Reynolds Funeral Service clearly understands the needs of its clients. We keep abreast of current developments whilst still maintaining traditional values.

Today, five generations on from the founder, Reynolds Funeral Service operates under the caring eye of James and Stephen Reynolds.

Bognor Regis Chapel of Rest

Our Chapel of Rest and Offices have been modernised and refurbished to a very high standard. The colours and decorations that have been selected make it a very tranquil environment for viewing your loved one.

The Chapel has also been designed to allow it to be used as an alternative venue for funeral services - ideal for small ceremonies. The Chapel can seat up to 18 People. We have a standard setup for the chapel, but we can offer flexibility if anything special is required. Using our chapel and not attending the crematorium, can help to reduce the cost of a funeral. We also have a separate room available, which can be used for a buffet and gathering following the funeral. The catering is provided by a local well established company who are able to offer a good menu choice.
